DECLARATION OF RODGER DWIGHT CONCERNING AUTHORSHIP

TO THE ASSISTANT  
COMMISSIONER FOR PATENTS:

I, Rodger Dwight, declare as follows:

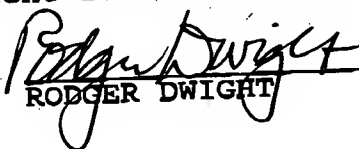

1. I am the Communications Manager at Electro Scientific Industries, Inc. and was responsible for organizing the content and layout of the Fall 1993 LaserPulse reference published by Electro Scientific Industries, Inc.

2. I received the text and photographs of "UV Laser Micromachining Applications Continue to Grow," which appeared on pages 6 and 7 of the Fall 1993 LaserPulse reference, from Mark D. Owen, who invented the subject matter disclosed therein.

3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such

willful false statements may jeopardize the validity  
of the application or any patent issued thereon.
